

Organization Name	Project Summary	Award Amount	Lifecycle Cost Savings	Annual Cost Savings
AIKEN, CITY OF	Install energy efficient lighting in city buildings.	\$78,950	\$373,426	\$19,135
ANDREWS, TOWN OF	Install energy efficient lighting in Town Hall and Old National Guard Armory.	\$11,000	\$39,505	\$1,975
BARNWELL COUNTY	Install energy efficient lighting and windows in the courthouse.	\$85,196	\$619,135	\$27,111
BATESBURG-LEESVILLE, TOWN OF	Install energy efficient LED exit signs and occupancy sensors.	\$47,702	\$119,254	\$6,208
BELTON, CITY OF	Install a water meter monitoring system throughout the city to reduce water loss.	\$210,300	\$1,429,257	\$71,463
BERKELEY COUNTY	Install energy efficient lighting and heating and air conditioning equipment.	\$337,765	\$1,989,943	\$105,172
BISHOPVILLE, CITY OF	Install energy efficient lighting, heating and air conditioning equipment and insulation in city buildings.	\$39,231	\$227,934	\$11,599
BLACKVILLE, TOWN OF	Install energy efficient windows and insulation in Town Hall.	\$89,108	\$263,797	\$10,478
BRUNSON, TOWN OF	Install energy efficient heating and air conditioning equipment, water heater, lighting, windows, refrigerator, caulking and insulation. Plant trees to provide shade.	\$36,361	\$205,862	\$9,240
CAMDEN, CITY OF	Install energy efficient lighting, heating and air conditioning equipment, attic insulation and windows in City Hall. Install energy efficient lighting in Fire Station #2, the Police Department and Water Plant. Install energy efficient heating and air conditioning equipment in the Police Department and Fire Station #2.	\$165,564	\$816,095	\$44,134
CAYCE, CITY OF	Install energy efficient lighting and LED exit signs in all municipal buildings.	\$51,694	\$389,732	\$19,487
CHARLESTON COUNTY	Install solar panels to the detention center and install a solar powered water circulation system to storm water storage ponds.	\$259,729	\$649,323	\$21,644
CHERAW, TOWN OF	Install energy efficient lighting, occupancy sensors and programmable thermostats.	\$62,715	\$283,755	\$14,658
CHESTER COUNTY	Install energy efficient windows in the county courthouse.	\$107,140	\$209,716	\$6,991
CLEMSON, CITY OF	Install energy efficient LED lighting fixtures to parking deck and streets.	\$78,012	\$246,312	\$12,316
CLINTON, CITY OF	Install energy efficient heating and air conditioning equipment in the M.S. Bailey Municipal Center.	\$123,879	\$309,697	\$12,388

CLIO, TOWN OF	Install energy efficient heating and air conditioning equipment in the municipal building housing the police department and court room.	\$5,811	\$14,527	\$968
COLLETON COUNTY	Install energy efficient heating and air conditioning equipment in county buildings.	\$66,414	\$166,036	\$11,069
COTTAGEVILLE, TOWN OF	Install energy efficient heating and air conditioning equipment in the municipal complex.	\$24,000	\$141,320	\$9,421
DARLINGTON COUNTY	Install energy efficient lighting and occupancy sensors and building controls systems.	\$161,431	\$2,198,389	\$109,919
DARLINGTON, CITY OF	Install energy efficient heat pumps in the Street/Sanitation Department.	\$19,781	\$88,680	\$5,912
DILLON COUNTY	Install energy efficient lighting.	\$66,642	\$326,118	\$16,306
DORCHESTER COUNTY	Install energy efficient lighting and heating and air conditioning equipment in the county administrative building.	\$288,034	\$3,017,846	\$155,245
EASLEY, CITY OF	Install energy efficient heating and air conditioning equipment, lighting and insulation.	\$202,680	\$558,536	\$23,583
EDGEFIELD COUNTY	Install energy efficient heating and air conditioning equipment and thermostats in the county jail.	\$48,459	\$121,148	\$8,077
ELLOREE, TOWN OF	Install energy efficient equipment in wastewater treatment plant.	\$89,000	\$290,750	\$11,630
FAIRFIELD COUNTY	Install occupancy sensors to control lighting and replace and/or repair sealing of window units.	\$51,958	\$375,951	\$26,470
GAFFNEY, CITY OF	Install infrared heaters at Maintenance Shop, Main Fire Station and Overbrook Fire Station.	\$9,802	\$239,395	\$11,970
GEORGETOWN COUNTY	Replace weatherstripping, sealant and insulation in 35 buildings.	\$157,800	\$470,246	\$23,512
GEORGETOWN, CITY OF	Install energy efficient heating and air conditioning equipment in City Hall, the Electrical Department and Public Works.	\$25,418	\$63,544	\$4,236
GIFFORD, TOWN OF	Install energy efficient heating and air conditioning equipment, insulation, ductwork and an efficient hot water heater.	\$31,618	\$129,792	\$8,013
GREELEYVILLE, TOWN OF	Install energy efficient lighting and occupancy sensors at Town Hall.	\$1,750	\$12,392	\$620
GREENWOOD COUNTY	Install energy efficient windows and insulation in the Brewer Community Center.	\$104,416	\$645,445	\$25,818
GREENWOOD, CITY OF	Install energy efficient heating and air conditioning equipment and lighting.	\$147,011	\$687,572	\$30,715

GREER, CITY OF	Install energy efficient heating and air conditioning equipment and lighting in the city operations center.	\$48,453	\$333,310	\$17,921
HAMPTON, TOWN OF	Install energy efficient heating and air conditioning equipment, lighting, environmental controls.	\$48,044	\$124,837	\$5,927
HEMINGWAY, TOWN OF	Install LED street lamps.	\$5,000	\$17,071	\$1,138
ISLE OF PALMS, CITY OF	Install LED lighting fixtures on Front Beach.	\$27,998	\$69,994	\$3,500
JEFFERSON, TOWN OF	Install energy efficient heating and air conditioning equipment in Town Hall and the Fire Station.	\$14,006	\$45,864	\$3,058
KERSHAW COUNTY	Install energy efficient lighting, occupancy sensors and control panels in county facilities.	\$75,985	\$905,450	\$45,272
KINGSTREE, TOWN OF	Install energy efficient lighting in recreational buildings and heating and air conditioning equipment at the Fire Department.	\$12,600	\$55,733	\$3,191
LAMAR, TOWN OF	Install energy efficient heating and air conditioning equipment and lighting in Town Hall.	\$27,560	\$81,673	\$4,982
LANCASTER COUNTY	Install energy efficient heating and air conditioning equipment in main library.	\$81,239	\$205,310	\$9,829
LANCASTER, CITY OF	Install energy efficiency pumping equipment at the waste water treatment plant.	\$175,000	\$2,601,418	\$128,565
LAURENS, CITY OF	Install energy efficient heating and air conditioning equipment in Sun Trust Building.	\$55,000	\$198,241	\$9,912
LEE COUNTY	Install energy efficient heating and air conditioning units in the Social Service and Health Department buildings. Install energy efficient lighting in county buildings.	\$157,447	\$826,207	\$48,672
LINCOLNVILLE, TOWN OF	Install energy efficient lighting, heating and air conditioning equipment and programmable thermostats in Town Hall.	\$25,623	\$107,568	\$6,749
LYMAN, TOWN OF	Install energy efficient insulation and weatherize Town Hall.	\$28,456	\$131,928	\$4,398
LYNCHBURG, TOWN OF	Install energy efficient windows, attic insulation, storm windows, doors, heating and air conditioning equipment, lighting and wastewater management equipment. Purchase energy efficient computers.	\$23,097	\$57,743	\$3,004
MANNING, CITY OF	Install energy efficient lighting, a new heat pump and thermostat and replace kitchen appliances in the public safety building.	\$20,804	\$101,861	\$5,479

MARION COUNTY	Install energy efficient lighting and heating and air conditioning equipment.	\$122,805	\$794,135	\$44,159
MARION, CITY OF	Install energy efficient heating and air conditioning equipment in the Police Department, Cith Hall, Opera House and Grice's Recreation Center.	\$139,863	\$822,215	\$41,111
MARLBORO COUNTY	Install energy efficient heating and air conditioning equipment in the county library.	\$30,980	\$77,450	\$5,163
MCBEE, TOWN OF	Install energy efficient heating and air conditioning equipment in municipal buildings.	\$31,068	\$479,664	\$31,978
MCCORMICK COUNTY	Install energy efficient heating and air conditioning equipment and windows in the county courthouse.	\$149,000	\$85,118	\$5,522
MULLINS, CITY OF	Install equipment at the waste water treatment plant to save energy through efficient operation.	\$81,034	\$202,584	\$13,506
NEWBERRY, CITY OF	Install energy efficient heating and air conditioning equipment at Whitaker Fire Station and Public Safety Complex.	\$61,683	\$368,445	\$24,563
NINETY SIX, TOWN OF	Install energy efficient heating and air conditioning equipment in the Senior Center, Community Center and Town Hall.	\$17,032	\$50,863	\$3,391
OCONEE COUNTY	Install energy efficient heating and air conditioning equipment and lighting in Walhalla, Seneca and Westminster libraries. Install insulation in the Walhalla and Westminster libraries.	\$196,744	\$817,434	\$44,865
ORANGEBURG COUNTY	Install energy efficient heating and air conditioning equipment and controls system in Law Enforcement Complex.	\$125,000	\$324,599	\$16,230
PAMPLICO, TOWN OF	Install energy efficient heating and air conditioning equipment in municipal complex.	\$9,319	\$23,298	\$1,553
PICKENS COUNTY	Install energy efficient lighting in nine county facilities.	\$66,891	\$711,599	\$35,580
RAVENEL, TOWN OF	Install energy efficient lighting, heating and air conditioning equipment and programmable thermostats.	\$38,938	\$135,640	\$7,651
RIDGEVILLE, TOWN OF	Install energy efficient lighting and programmable thermostats in City Hall.	\$12,405	\$60,906	\$3,518
SUMMERTON, TOWN OF	Install energy efficient lighting in City Hall and the Police Department. Install energy efficient windows in Town Hall.	\$10,494	\$62,433	\$2,923
SUMTER COUNTY	Install energy efficient lighting in the Sumter County Administration Building, Health Department and Summary Court Building. Install energy efficient lighting in Patriot Hall.	\$99,348	\$1,218,671	\$60,934

TURBEVILLE, TOWN OF	Install solar windows film and energy efficient lighting in Town Hall and attic insulation and energy efficient heating and air conditioning equipment in the Public Works building.	\$23,522	\$116,215	\$6,494
UNION, CITY OF	Install energy efficient lighting, heating and air conditioning equipment and lighting occupancy controls in City Hall and Union YMCA as well as upgrade the water system utility pump at the water station.	\$103,796	\$313,525	\$19,289
WALTERBORO, CITY OF	Install energy efficient heating and air conditioning equipment, windows and insulation in the City Hall Annex.	\$80,331	\$239,465	\$9,795
WARE SHOALS, TOWN OF	Install energy efficient heating and air conditioning equipment and hot water heater in Town Hall.	\$115,500	\$372,897	\$18,645
WILLIAMSBURG COUNTY	Install energy efficient heating and air conditioning equipment and windows in the historic courthouse.	\$121,702	\$454,471	\$22,724
WOODFORD, TOWN OF	Install solar panels to roof of community center. Install energy efficient heating and air conditioning equipment in the community center and old firehouse.	\$69,588	\$173,971	\$6,319
