	<u>BEVs</u> (delivery)						
Off-road vehicles & equipment (tugs, tractors, forklifts, etc.) <i>Electric off-road equip. including golf carts (not street legal)</i>							

Fuel Economy DEVICES OR TECHNOLOGIES

Have you installed any devices or technologies that make some of your fleet **more fuel efficient**? If so, please fleet out the below information.

Examples: APUs, Super Single tires, trailer tails, trailer skirts, speed limiters.

Vehicles Devices Installed On	Devices or Technology Installed	# of vehicles	Old fuel econ.	NEW fuel econ.	Miles / year-vehicle

Fuel Economy INVENTORY

Have you replaced any conventional vehicles in the past year **with vehicles that are more efficient**? If so, please list the retired and the replacement vehicle(s)

below. **If you need more room, please attach in a PDF/Word/Excel document**

RETIRED Vehicle						REPLACEMENT Vehicle					
Vehicle Year	Vehicle Make	Vehicle Model	Fuel Type Gas/Diesel	MPG	Miles/yr	Vehicle Year	Vehicle Make	Vehicle Model	Fuel Type Gas/Diesel	MPG	Miles/yr
