October is #EnergyActionMonth, so now is the perfect time to get your #energy savings in order. Start here → <https://www.energy.gov/energysaver/do-it-yourself-energy-savers-projects>

October is #EnergyActionMonth! Read Governor McMaster's proclamation here → www.ENERGY.SC.GOV/EnergyActionMonth

The Energy Office maintains an online Energy Saver Tool and website to help consumers easily find energy-saving opportunities. Visit EnergySaver.SC.GOV to learn more!

Finding energy-saving opportunities can be frustrating. The Energy Saver Tool consolidates programs into one central, online location for consumers. Visit EnergySaver.SC.GOV/tool to learn more!

Quick and easy to use. Answer a few simple questions in the Energy Saver Tool to find energy-saving opportunities available to you. Get started by visiting EnergySaver.SC.GOV/tool!

Using the Energy Saver Tool, you can search for energy-saving programs by category or by program name to find specific program information. You can also print and/or share program information by exporting to a PDF or Excel file. Visit EnergySaver.SC.GOV/tool to learn more!

The Energy Saver website includes energy-saving tips for homes and businesses in a user-friendly and easy-to-follow format. Find out how you can save energy by visiting EnergySaver.SC.GOV!

Quick Tip Videos

The Energy Office has created several "Quick Tip" videos that can be easily shared on social media. Feel free to share these videos on your social media channels or create your own videos to encourage your audience to save energy during Energy Action Month:
